

2024 International Conference on Intelligent Information Processing and Applications

NOTIFICATION OF ATTENDANCE

Dear [REDACTED]

The 2024 International Conference on Intelligent Information Processing and Applications (IIP&A 2024) will be held in Changsha, China during December. 20-22, 2024. IIP&A 2024 aims to focus on the difficulties and challenges faced by current intelligent information processing technology, explore the latest progress in research on intelligent information processing technology, build a communication and cooperation platform for researchers and related enterprises in intelligent information processing technology, and promote deep integration and innovation between artificial intelligence, smart education and modern industry. The organizing committee is excited to invite you to take part in IIP&A 2024, to discuss the latest research progress of intelligent information processing technology.
